DESIGN SPECTRUM

Overview

We have taken the original concept behind our very popular Design Spectrum display system and enhanced the features and flexibility you need with the style and simplicity you want.

The base display has 10 wings which will accommodate up to 60 dealer boards. By adding listello wings, it can accommodate over 100 different cards in one unit. The literature racks have been moved to the side of the display on either side of the wings and can hold up to 36 of our most popular literature lines and catalogs.

Overall, the entire design condenses many great features into one ergonomically configured layout that warehouses those products you think will best suit your local market. Innovation, versatility, and total concept selling, those are the features we build into every Design Spectrum display system.

ADJUSTABLE LEGS

These legs can be adjusted to compensate for an uneven flooring surface to keep the Design Spectrum perfectly level at all times.

2° ANGLE

The back of the Design Spectrum has a 2° lean added for better balance when the display system is completely filled with dealer boards and card sets.

STEEL FRAME CONSTRUCTION

Manufactured for strength and durability, the frame is tubular steel construction to withstand greater weight and wear and tear than other comparable display systems.

FLAT PACK SHIPPED

Wings are flat packed for easy shipment and storage. This saves on shipping costs for bulk units and is a snap to assemble.

DESIGN SPECTRUM

46807 60 DDB Display

The 60 board Design Spectrum display's tubular steel frame construction is designed to withstand greater weight and wear and tear than other comparable display systems. The wings hold up to 60 dealer display boards, as well as a literature rack that is mounted on either side capable of displaying up to 36 different literature lines and catalogs.

Dimensions: 60"(w) x 89"(h) x 27"(d)

Note: See pages 9-16 for your Dealer Display Board options.

46808 42 DDB Display

The 42 Board Design Spectrum Display has the same base unit as the 46807 60 DDB Display. It comes with 7 dealer display board wings that hold up to 42 dealer display boards. This unit also holds 3 specialized wings that hold a mix of listellos and mosaic cards, as well as a literature rack that is mounted on either side capable of displaying up to 36 different literature lines and catalogs.

Dimensions: 60"(w) x 89"(h) x 27"(d)

Note: See pages 10-18 for your Dealer Display Board options.

46820 120 DDB Display

The same base unit as the 46807, the 46820 120 Board Design Spectrum comes with this display and is designed to customize using the standard individual or DDB by Color Boards listed in our catalog.

60"(w) x 27"(h) x 89"(d)

95"(w) with fully opened wings

Note: See pages 10-18 for your Dealer Display Board options.

46820K Retrofit Kit

Base plus 10 wings, this kit is designed to make the existing 46807 or 46808 able to hold additional wings that will accommodate up to 120 dealer boards.

48982 Product Catalog

Our 2019 Product Catalog is a fresh take on tile inspiration, as well as floor and wall design. It speaks to designers, architects, installers, and end users in a way that inspires, while also providing a functional tool to help create amazing projects.

Featured in the catalog are helpful indexes and galleries that allow searching by look, color, and current interior design trends. Finding product pages and information is easy. Check out these updated features that make the 2019 catalog a true design asset:

Design by Look

See at a glance the products that fit into each material genre such as wood, concrete, stone, etc.

Color Index Search

Looking for a specific hue, color family, or shade? We've got that!

Interior Design Trends

Find products that fit within current and emerging trends influencing commercial and residential markets today.

Installation Galleries

We provide beautiful photos to highlight amazing projects.

Page Design for Product Pages

Page layouts feature true to scale sizing allowing you to visually compare tile proportions. A large room scene and short description on each page allow you to get a better flavor for each product.

Our catalog includes tile formats, sizes, colors, skus, technical specifications, and the different certifications unique to each line.

48003 Look Book

Our product designers are centered on current and emerging interior design fashion. Careful market and trend analysis is the genesis from which our ideas begin before transforming into artful designs for our products. Spotlighted in this Look Book are the latest trends and the Florida Tile products that best complement them.

You can also find the Look Book as a digital flip book and PDF on our website: <https://floridatile.com/static/core/flipbooks/FloridaTile-DesignTrends-2019>

DDB BY COLOR

The Dealer Display Board (DDB) by Color program allows you to show multiple colors, sizes, decorative, and trim pieces that are available for each product line. The goal of this program is to maximize the visibility of colors available per product line that normally would only be shown in a small chip. The DDB by Color Boards are packaged together as a single SKU by series and not available to purchase by an individual color board.

A convenient, space-saving design that looks good just about anywhere you can place it in a showroom. The base is easy to assemble and holds panels that beautifully showcase these popular Florida Tile lines. Each cradle offers a listing of the products featured on each individual panel and the back sticker offers more products available with each line. The placement of the base has been lowered for ease of access and the panels have been angled more to allow more space between panels for viewing products.

Available Cradles Panel Sizes: 14"w, 16"w, 20"w, 26"w
Base Universal Size: 30"l x 32"w
