CRADLE DISPLAYS

A convenient, space-saving design that looks good just about anywhere you can place it in a showroom. The base is easy to assemble and holds panels that beautifully showcase these popular Florida Tile lines. Each cradle offers a listing of the products featured on each individual panel and the back sticker offers more products available with each line. The placement of the base has been lowered for ease of access and the panels have been angled more to allow more space between panels for viewing products.
