BY *floridatile*

PietraArt, Florida Tile's line of natural stone, offers Travertine consisting of stone with only an "A" quality rating in the best selling colors for the American market; Light Travertine, Nocé/Walnut, Picasso, Silver and Scabos. The 4x4, 3x6, 6x6 and matching "brick" pattern mosaics are tumbled for a soft weathered appearance and available in all natural, earthen hues. The 12x12 & 18x18 formats are cut from larger stones ensuring that the sizes are consistent and exact. These honed tiles may also be installed with or without a grout joint allowing for a rustic or more contemporary look. Complete your installation with an elegantly profiled chair rail, in two sizes or a pencil molding offered in any one of the colors. The PietraArt Travertine collection also coordinates with PietraArt Bliss and Stone Mosaics series to expand your design possibilities. See this extremely versatile collection of stone at a Florida Tile Dealer or Distributor near you, or at www.floridatile.com.

Typical Uses

PietraArt Travertine natural stone floor & wall tile is appropriate for all residential and commercial wall and countertop applications, residential and light commercial floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI A137.1) for ceramic, stone and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED points and the ANSI approved NAHB Green Building Points.

Placement of PietraArt accent murals where they will be exposed to direct sunlight is not recommended. UV light can fade the graphics.

Color Variations

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples. Due to the nature of the stone, PietraArt Polished Travertine has shiny and dull areas as part of the surface. Please take this into consideration at the time of purchase.
