DREAM A LITTLE DREAM

Michelangelo said, "The true work of art is but a shadow of the divine perfection."

Divinity by FloridaTile takes artistry to another level. Distinguished by a rich surface of captivating veining, delicate striations, and subtle imperfections of natural stone, this color body porcelain tile exceeds even the highest expectations. Inspired by one of the last slabs of Angel Stone extracted from an exclusive quarry in the Italian Alps, Divinity is our interpretation of the divine beauty found in this rare and beautiful sandstone.

Four ethereal colors- Dawn, Dusk, Horizon, and Mist range from a mixture of soft, warm beiges, calm grays, and taupes, to a dramatic cool dark gray. All feature monochromatic veining and distinct shade variations throughout. Available in a 12x24

rectified field tile format, this majestic stone look is enhanced with a complimentary collection of 25-piece and random stack mosaics in each color, and a mixed-color hexagon mosaic that incorporates all four colors. A bullnose trim completes this exquisite collection.

Divinity is appropriate for all applications in both residential and commercial settings. It is made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY, and includes pre-consumer recycled content. It meets the DCOF AcuTest requirements to be installed in wet areas and is GREENGUARD® and Porcelain Tile certified. Incorporated into the tile surface is Microban® antimicrobial technology that works continuously to inhibit bacteria growth, improve visible cleanliness, and reduce odors.
