# STREAMLINE

Shown on front: **Streamline 410 3x6 & S4369 Bullnose & SN4339 Bullnose Corner** Arctic Matte **PietraArt Premier Marble MAR16/M12BW** Casablanca Basketweave Mosaic Polished

Streamline from Florida Tile combines classic shapes and colors with an immense decorative offering. Intended to coordinate with popular glass and stone collections in today's eclectic looks, this signature wall tile line is the optimal choice for any wall application. Whether designing for residential or commercial spaces, you will find the right elements to build a space with enduring elegance.

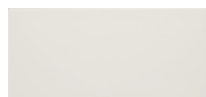

Available formats are 3x6, 4x4, and 4x16 along with trim shapes to complete any installation. This includes bullnose, bullnose corner, cove base, cove base corners, quarter round, and quarter round corners. The 4x4 and 4x16 are modular to each other and the 3x6 and 4x4 sizes coordinate with our glass and stone product offerings.

An immense decorative selection will inspire any space. Ivy, jewel, wave, and gemstone listellos as well as chair rails and pencils in broad color offering provide a variety of choice in architectural detail.

Streamline ceramic wall tile is appropriate for all residential and commercial, wall, countertop, and backsplash applications and is GREENGUARD® certified.

## 411 3x6 Dorian Matte

### Porcelain Technical Data

Properties (Floor)

	ASTM®	ANSI®	Results <sup>1</sup>
<b>Surface Hardness</b>	Mohs Scale	N/A	5 Mohs
<b>Break Strength</b>	C-648	125 lbf.	150 lbf. avg.
<b>Water Absorption</b>	C-373	≤0.5%	14% <sup>2</sup>
<b>Intended Use<sup>3</sup></b>	N/A	N/A	Residential & Light Commercial

<sup>1</sup> These tests are performed by a 3rd party testing lab using industry standard equipment and techniques. Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

<sup>2</sup> Average production value

<sup>3</sup> Please visit [www.floridatile.com/intended-use](http://www.floridatile.com/intended-use) for further details.

### Field Tile

Nominal Size (in) <sup>1</sup>	Metric (cm)	Pcs./Sq Ft <sup>2</sup>	Thickness <sup>3</sup>	Edge
<b>3x6</b>	7.5x15	8	7.3mm	Pressed
<b>4x4</b>	10x10	9	7.3mm	Pressed
<b>4x16</b>	10x40.5	2.25	8mm	Pressed

<sup>1</sup>These values may vary from lot to lot.

<sup>2</sup>These values are based on actual sizes including the grout joint.

<sup>3</sup>May not apply to textured surfaces or tiles with uneven back patterns, such as mesh mounted mosaics.

### Typical Uses

Streamline glazed ceramic wall tile is appropriate for all residential and commercial wall, countertop, and backsplash applications.

### Special Note

Note: 4x4 & 4x16 formats are modular when using a 1mm spacer. 50% offset brick patterns have unique installation challenges regardless of the tile selected. Substrates need to be completely flat and wash lighting is not recommended. A larger grout joint should also be considered. See the latest **TCNA Handbook for Tile Installation** for tips on brick patterns.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

Color, texture, and finish variations may occur due to the nature of the product.
