CONTINENT DP

Digital Porcelain

BY floridatile

Designed with a rustic aesthetic in three strong earth colors, the Continent^{DP} collection offers a change from the contemporary Florida Tile line. The palette is full of strong graphics and tones that work together to create a natural variation and is complimented by a strong texture. The surface of the tile is reminiscent of a slate with long linear clefing that lends both a realistic look to the surface, but creates a soft touch.

The product line also includes a glass listello to match all three colors, M12 mosaic and full bullnose package. With the exception of select trim and decorative pieces, this product line is Made in the USA of 40% pre-consumer recycled content, is GREENGUARD[®] Certified and Porcelain Tile Certified, and meets the new DCOF AcuTest requirements to be installed in wet areas.

DIGITAL PRINTING

- Marble, Travertine, Wood, Fabric, Text, Concrete
- Can duplicate any graphic image on a tile
- Allows for huge range of color and variation
- Glaze is durable and exceeds all ANSI/ ASTM standards
- Graphic goes to edge of tile, eliminating “pillow” effect
- Trims can be matched exactly using the same glazing process
- Environmentally safe process is low maintenance with no waste

Digital Porcelain by Florida Tile utilizes the most technically advanced glazing system in the industry today, digital printing. Like the technology that changed the television industry, Digital Printing on ceramic and porcelain brings you the most realistic image possible, except it is on a tile.

Like any digital image, the graphics on tiles are made up of millions of small dots of color; higher the quantity and smaller the dots, the higher the definition. While this concept is simple in theory, it has taken decades of painstaking work to bring the technology from the research and development laboratories to the production line. Continuing to be an innovator in the industry, Florida Tile was the first manufacturer to use this technology in the United States.

Typical Uses

Continent^{DP} porcelain floor & wall tile is appropriate for all residential and commercial wall, countertop and backsplash applications. Residential and light commercial floor applications. This Florida Tile will contribute to USGBC LEED points and the ANSI approved NAHB Green Building Points.

Made in USA: With the exception of select trim and decorative pieces, this product line is Made in the USA of 40% pre-consumer recycled content, is GREENGUARD Certified and Porcelain Tile Certified, and meets the new DCOF AcuTest requirements to be installed in wet areas.

Notice: Not all flooring products are suitable for wet areas, specialized applications or commercial use. Please refer to the American National Standard Specifications for Ceramic tile (ANSI A137.1) for ceramic, stone and glass installation for specific usage and installation information.

Properties (Floor)	ASTM	ANSI	Results ¹
DCOF AcuTest ²	A137.1	≥0.42	Pass
Durability Classification ³	C1027	N/A	Class IV
Glaze Hardness	Mohs Scale	N/A	7 Mohs
Break Strength	C-648	250 lbs.	365 lbs. avg.
Water Absorption	C-373	≤0.5%	≤0.5%

¹ These values vary from lot to lot. All test results are from independent laboratory tests.

² ANSI A137.1-2012 standard, ceramic tiles selected for level interior spaces expected to be walked upon when wet must have a minimum wet DCOF AcuTest value of 0.42

³ Class I Light Residential, Class II Residential, Class III Heavy Residential Lt Commercial, Class IV Commercial, Class V Heavy Commercial

Field Tile Nominal Size ¹	Metric (cm)	Pieces /Sq. Ft ²	Thickness ³
6" x 6"	15 x 15	4	8 mm
12" x 12"	30 x 30	1	8 mm
12" x 24"	30 x 60	.5	9 mm

¹ These values may vary from lot to lot.

² These values are based on actual sizes including the grout joint.

³ May not apply to textured surfaces or tiles with uneven back patterns.

Trim	Shape	SKU	Nominal Size	Metric (cm)
Bullnose		P43C9	3" x 12"	7.5 x 30
Bullnose		S4669	6" x 6"	15 x 15
Outside Corner		SN4669	6" x 6"	15 x 15
Cove Base		P36C9	6" x 12"	15 x 30
Cove Base Corner		PB3169	1" x 6"	2.5 x 30

Color Variations

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

V2 = Slight Variation

Clearly distinguishable differences in texture and/or pattern with similar colors.
