Venture into a world of artistry and elegance with Enchant from Florida Tile. Step back in time or blaze a path forward with this exquisite representation of regal marbles that blur the secrets of history with the essence of contemporary design. Give into your fantasies and surround yourself with luxury and aspiration that speak confidently of a refined world. Create a space that is at once romantic, serene, and exotic.

This exquisite line of glazed porcelain floor and wall tile brings four stunning marble looks, once only available to the elite few, to the modern market.

Beauty captures the delicate and varied silver tones of linear cut Palissandro marble, a highly sought after and unique material that is mined from centuries-old quarries in the Eastern Alps.

Charm conveys the splendor of Fior di Bosco marble. The varied warm taupe grays, touches of light beige, and striking cream-to-brown veining make this look a visual jewel.

Grace exudes the noble refinement of Crema Marfil marble with a pale beige background and subtle touches of gold, cinnamon, and creamy white.

Honesty is an enchanting dance of soft whites and nebulous grays in a beautiful interpretation of classic white Arabescato marble.

All colors and finishes are available in a 3.75x12 and 12x24 format. Complementing the line is a 3" hexagon mosaic in both polished and matte finishes, and a 36-piece mosaic in a matte finish only. Additional trim pieces are available to elevate any installation, including a bullnose, ingot listello, chair rail and chair rail stop.

Enchant glazed porcelain floor and wall tiles are appropriate for all residential and commercial wall, countertop, and backsplash applications. Matte finish tiles are appropriate for all residential and most commercial floor applications. With the exception of wet areas, tiles featuring the polished finish are suitable for most residential floor applications. Made in the USA at our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY, it includes pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified.
