Venture into a world of artistry and elegance with Enchant from Florida Tile. Step back in time or blaze a path forward with this exquisite representation of regal marbles that blur the secrets of history with the essence of contemporary design. Give into your fantasies and surround yourself with luxury and aspiration that speak confidently of a refined world. Create a space that is at once romantic, serene, and exotic.

This exquisite line of glazed porcelain floor and wall tile brings four stunning marble looks, once only available to the elite few, to the modern market.

**Beauty** captures the delicate and varied silver tones of linear cut Palissandro marble, a highly sought after and unique material that is mined from centuries-old quarries in the Eastern Alps.

**Charm** conveys the splendor of Fior di Bosco marble. The varied warm taupe and gray, touches of light beige, and striking cream-to-brown veining make this look a visual jewel.

**Grace** exudes the noble refinement of Crema Marfil marble with a pale beige background and subtle touches of gold, cinnamon, and creamy white.

**Honesty** is an enchanting dance of soft whites and nebulous grays in a beautiful interpretation of classic white Arabescato marble.

All colors and finishes are available in a 3.75x12 and 12x24 format. Complementing the line is a 3" hexagon mosaic in both polished and matte finishes, and a 36-piece mosaic in a matte finish only. Completing the line is a 3x12 bullnose in both matte and polished finishes.

Enchant glazed porcelain floor and wall tiles are appropriate for all residential and commercial wall, countertop, and backsplash applications. Matte finish tiles are appropriate for all residential and most commercial floor applications. With the exception of wet areas, tiles featuring the polished finish are suitable for most residential floor applications. Made in the USA at our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY, it includes pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified.

<sup>3</sup> Average production value.

<sup>4</sup> Please visit [www.floridatile.com/intended-use](http://floridatile.com/intended-use) for further details.

## Typical Uses

Enchant glazed porcelain tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications. With the exception of wet areas, tiles featuring the polished finish are suitable for most residential floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

<sup>1</sup> These values may vary from lot to lot.

<sup>2</sup> These values are based on actual sizes including the grout joint.

<sup>3</sup> May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.

## Notes

Color, texture, and finish variations may occur due to the nature of the product.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.
