In our chaotic world, designing a space that exudes natural beauty and a peaceful energy is essential. Kerala^{HDP} wood-look porcelain introduces an ambience of warmth, sophistication, and sustainability. The elegant wood grain is equally fitting for a serene bedroom or a vibrant family room. Expressive wood patterns combine with an organic color palette to capture a timeless essence that will withstand fleeting design trends. Kerala^{HDP} will last for generations to come.

These 6x24 and 8x36 pressed porcelain planks are available in three colors: Karma - a warm honey, Mantra - a rich russet, and Nirvana - a nut brown. A basket weave mosaic in each of the available colors provides a touch of the exotic to complete the line.

Manufactured using proprietary HDP—High Definition Porcelain® printing technology, Kerala^{HDP} is appropriate for residential settings. It is entirely made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY, of 40% pre-consumer recycled content. It is GREENGUARD® and Porcelain Tile certified.

Color Variations

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

V3 = Moderate Variation

While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly. For example, "that little bit of color" on one piece of tile may be the primary color on the next piece.
