In our chaotic world, designing a space that exudes natural beauty and a peaceful energy is essential. Kerala<sup>HDP</sup> wood-look porcelain introduces an ambience of warmth, sophistication, and sustainability. The elegant wood grain is equally fitting for a serene bedroom or a vibrant family room. Expressive wood patterns combine with an organic color palette to capture a timeless essence that will withstand fleeting design trends. Kerala<sup>HDP</sup> will last for generations to come.

These 6x24 and 8x36 pressed porcelain planks are available in three colors: Karma - a warm honey, Mantra - a rich russet,

and Nirvana - a nut brown. A basket weave mosaic in each of the available colors provides a touch of the exotic to complete the line.

Manufactured using proprietary HDP—High Definition Porcelain® printing technology, Kerala<sup>HDP</sup> is appropriate for residential settings. It is entirely made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY. It contains pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified.
