White Brilliant | 34401 14x39
White Pearl | 34400 12x24

The Glamour collection from Florida Tile creates an allure and sophistication of timeless Hollywood and is the perfect answer for those seeking to add an element of drama to their environment.

Porcelain floor and ceramic wall tiles are uniquely structured with visual texture for spaces in which the architectural component is vital. Designed with luxury hospitality in mind, these exquisite tiles will elevate any space to the next level of elegance and affluence.

In the spotlight is a 12x24 rectified semi-gloss, glazed white porcelain tile with a geometric microstructure that adds a subtle design accent, without sacrificing an easy-to-clean surface. Awaiting its close-up is a 12x12 sized 1x4 straight-stacked mesh mounted porcelain mosaic, an uncomplicated contemporary piece fitting perfectly within the look of the line.

The stars of this glamorous show are 10 beautiful decos in 9x18 (pressed), 12x24 and on-trend, 14x39 large format rectified ceramic wall tiles in a chic color palette of pristine glossy white, mirror, and gold. Bold architectural patterns in waves, geometric shapes, and straight-lines add movement and dimension to any room.

Completing this collection is a full package of trims including bullnoses coordinating with the glossy ceramic wall and porcelain floor tiles, as well as, a glossy ceramic chair rail and stop.

Glamour porcelain floor tile is appropriate for all residential and commercial, wall, countertop and backsplash applications and all residential floor applications. Ceramic wall tile is appropriate for all interior wall, countertop and backsplash applications and is GREENGUARD® certified.

Typical Uses

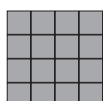

Glamour glazed porcelain floor and ceramic wall tile is appropriate for all residential and commercial, wall, countertop and backsplash applications and all residential floor applications. Ceramic wall tile appropriate for all interior wall, countertop and backsplash applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI A137.1) for ceramic, stone and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED points and the ANSI approved NAHB Green Building Points.

Color Variations

Color reproductions in this printed piece may vary from actual tile colors. All final selections should be made from actual tile samples.

V1 = Uniform Appearance

Differences among pieces from the same production run are minimal.

Properties (Floor)

Properties (Floor)	ASTM	ANSI	Results ¹
DCOF AcuTest	A137.1	≥0.42	N/A ²
Visible Abrasion Resistance	C-1027	N/A	N/A
Glaze Hardness	Mohs Scale	N/A	7 Mohs
Break Strength	C-648	250 lbf.	Pass
Water Absorption	C-373	<0.5%	<0.5%

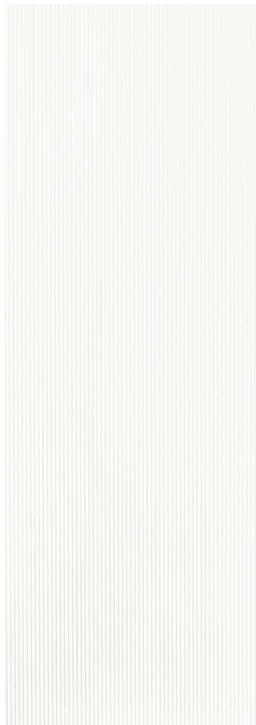

¹These tests are performed by a 3rd party testing lab using industry standard equipment and techniques. Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

²Due to the acute texture of this surface, current testing devices provide inconsistent DCOF results.
