ALUSTRA

shown on front: **ALU20P/M4x6ARCH** Imperial Gold Calacatta Arch Mosaic (polished)

Aligned with the modern paradigm of luxury is Alustra from Florida Tile. This next-generation collection of marble look tile reimagines interior landscapes, balancing richness with a longevity in design. Five lavish, yet refined colors offer distinct options for diverse stylistic needs:

Majestic White Lasa affirms prestige with linear, blue-gray and golden-brown veining that is showcased on a frosty white base.

Imperial Gold Calacatta defines elegance with dramatic gold and gray veining layered in a deep, achromatic backdrop of white.

Opulent Beige Onyx is distinguished by its lush, earth-tone surface infused with multifarious veining and characteristic translucency.

Sovereign Gray has a warm smokiness that lays the groundwork atop which strokes of white veining render luminosity.

Regal Black is a deep, rich, compact black traversed by unyielding white veining.

This collection features 12x24, 24x24, and 24x48 formats along with stunning 3" hexagon and chevron mosaics in both matte and polished finishes. An exquisite arch mosaic in the polished finish accompanies the line adding unequaled style and grace to any space and a 2x2 mosaic in the matte finish offers a classic option. Accessorizing this collection are two, sleek tile inlay liners: Gold houses either Imperial Gold Calacatta or Opulent Onyx, and Silver encases Majestic Lasa, Sovereign Gray, or Regal Black. Completing the line is a 3x24 bullnose in both matte and polished finishes.

Alustra color body porcelain floor and wall tile is appropriate for most residential and commercial interior, dry applications including walls, countertops, and backsplashes. Matte finish tiles are appropriate for most interior residential and commercial floor applications including wet areas such as kitchens and bathrooms. All matte finished field tiles in this line are produced in the USA at our Green Squared® certified Advanced Manufacturing Center located in Lawrenceburg, KY. These contain up to 40% pre-consumer recycled content and are GREENGUARD® and Porcelain Tile certified.

Porcelain Technical Data	Results ¹
Properties (Floor)	
ANSI® A326.3 ²	Matte Interior, Wet Plus (IW+) Polished Interior, Dry (ID)
Surface Hardness	7 Mohs
Break Strength	≥ 450 lbf. avg.
Water Absorption	≤ 0.5% ³
Intended Use ⁴	Residential & Light Commercial

¹ Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

² For more information, visit floridatile.com/productuseclassifications.

³ Average production value.

⁴ Please visit www.floridatile.com/intended-use for further details.

Typical Uses

Alustra color body porcelain tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

Field Tile Nominal Size (in) ¹	Metric (cm)	Pcs./Sq Ft ²	Thickness ³	Edge
12x24	30x60	.5	9mm	Rectified
24x24	60x60	.25	9mm	Rectified
24x48	60x120	.13	9mm	Rectified

Notes

Color, texture, and finish variations may occur due to the nature of the product.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.
