ALUSTRA

shown on front: **ALU20P/M4x6ARCH** Imperial Gold Calacatta Arch Mosaic (polished)

Aligned with the modern paradigm of luxury is Alustra from Florida Tile. This next-generation collection of marble look tile reimagines interior landscapes, balancing richness with a longevity in design. Five lavish, yet refined colors offer distinct options for diverse stylistic needs:

Majestic White Lasa affirms prestige with linear, blue-gray and golden-brown veining that is showcased on a frosty white base.

Imperial Gold Calacatta defines elegance with dramatic gold and gray veining layered in a deep, achromatic backdrop of white.

Opulent Beige Onyx is distinguished by its lush, earth-tone surface infused with multifarious veining and characteristic translucency.

Sovereign Gray has a warm smokiness that lays the groundwork atop which strokes of white veining render luminosity.

Regal Black is a deep, rich, compact black traversed by unyielding white veining.

This collection features 12x24 and 24x48 formats along with stunning 3" hexagon and chevron mosaics in both matte and polished finishes. An exquisite arch mosaic in the polished finish accompanies the line adding unequaled style and grace to any space and a 2x2 mosaic in the matte finish offers a classic option. Completing the line is a 3x24 bullnose in both matte and polished finishes.

Alustra color body porcelain floor and wall tile is appropriate for most residential and commercial interior, dry applications including walls, countertops, and backsplashes. Matte finish tiles are appropriate for most interior residential and commercial floor applications including wet areas such as kitchens and bathrooms. It includes pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified.
