# VitraArt PEACE OF MIND

Shown on front: **POM13/M12BULB** Pure White w/ Calm Green Arabesque Mosaic

Inspired by the tranquility of the sea and the stillness of a mountain landscape, VitraArt Peace of Mind is an exquisite glass tile collection from Florida Tile. It gives any room a sense of peaceful sophistication. With a translucent surface and opaque backing, these tiles and mosaics bring eye catching light and life to your walls. The palette ranges from delicate whites to beautiful, quiet tones of earth, sea and sky, softly reflecting light to create a luminous radiance that cannot be found in any other material.

Available in an extensive array of shapes, sizes, textures, patterns, and colors, VitraArt Peace of Mind gives you nearly endless options to make your space a work of art. These non-porous tiles and mosaics are easy to clean, as well as stain and scratch resistant.

This is not your mother's glass tile. Applications are no longer limited to kitchen and bath backsplashes. Peace of Mind can be utilized in every residential and commercial environment, setting the perfect scene of timeless and relaxed luxury. Designed to elegantly transition into complementary materials like natural stone and porcelain, the Peace of Mind collection complements the most modern and eclectic design trends.

VitraArt Peace of Mind is both durable and sustainable. It contains 30% recycled content and is appropriate for both residential and commercial wall installations.

As you search for the elusive state of wellbeing, make Peace of Mind your highest goal, then build your space around it.

## Typical Uses

VitraArt Peace of Mind glass field and mosaic wall tiles are appropriate for all residential and commercial wall and backsplash applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI A137.1) for ceramic, stone and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

## V1 Uniform Appearance

Differences among pieces from the same productions run are minimal.

## Color Variations

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

<sup>1</sup> These values may vary from lot to lot.

<sup>2</sup> These values are based on actual sizes including the grout joint.

<sup>3</sup> May not apply to textured surfaces or tiles with uneven back patterns, such as mesh mounted mosaics.
