Formats Available: 12x24, 24x24, M12, RSP12x24 & M4x4HEX (waterjet-cut)

Michelangelo said, "The true work of art is but a shadow of the divine perfection."

Divinity^{HDP} by Florida Tile takes artistry to another level. Distinguished by a rich surface of captivating veining, delicate striations, and subtle imperfections of natural stone, this color body porcelain floor and wall tile exceeds even the highest expectations. Inspired by one of the last slabs of Angel Stone extracted from an exclusive quarry in the Italian Alps, Divinity^{HDP} is our interpretation of the divine beauty found in this rare and beautiful sandstone.

Four ethereal colors- Dawn, Dusk, Horizon, and Mist, range from a mixture of soft, warm beiges, calm grays and taupes, to a dramatic cool dark gray. All feature monochromatic veining and distinct shade variations throughout. Available in 12x24 and 24x24 rectified field tile formats, this majestic stone look is enhanced

with a complimentary collection of 25-piece and random stack mosaics in each color, and a mixed-color hexagon mosaic that incorporates all four colors. A bullnose trim completes this exquisite collection.

Manufactured using proprietary HDP—High Definition Porcelain® printing technology, Divinity^{HDP} is appropriate for all applications in both residential and commercial settings. It is made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY and includes pre-consumer recycled content. It meets the DCOF AcuTest requirements to be installed in wet areas and is GREENGUARD® and Porcelain Tile certified. Incorporated into the tile surface is Microban® antimicrobial technology that works continuously to inhibit bacteria growth, improve visible cleanliness, and reduce odors.

Color Variation

V3 Moderate Variation

While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly. For example "that little bit of color" on one piece of tile may be the primary color on the next piece.

Color, texture, and finish variations may occur due to the nature of the product.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.
