Venture into a world of artistry and elegance with Enchant<sup>HDP</sup> from Florida Tile. Step back in time - or blaze a path forward with this exquisite representation of regal marbles that blur the secrets of history with the essence of contemporary design. Give into your fantasies and surround yourself with luxury and aspiration that speak confidently of a refined world. Create a space that is at once romantic, serene, and exotic.

This exquisite line of glazed porcelain floor and wall tile brings four stunning marble looks, once only available to the elite few, to the modern market.

**Beauty** captures the delicate and varied silver tones of linear cut Palissandro marble, a highly sought-after and unique material that is mined from centuries-old quarries in the Eastern Alps.

**Charm** conveys the splendor of Fior di Bosco marble. The varied warm taupe grays, touches of light beige, and striking cream-to-brown veining make this look a visual jewel.

**Grace** exudes the noble refinement of Crema Marfil marble with a pale beige background and subtle touches of gold, cinnamon, and creamy white.

**Honesty** is an enchanting dance of soft whites and nebulous grays in a beautiful interpretation of classic white Arabescato marble.

Each color and finish of this line is available in 3.75x12, 8x24, 12x24, and 24x24 formats as well as a 3" hexagon mosaic. A 36-piece mosaic comes in the matte finish only. Completing the line are bullnose, ingot listellos, chair rail, and chair rail stop trim pieces in each color.

Enchant<sup>HDP</sup> glazed porcelain floor and wall tile is appropriate for most residential and commercial wall, countertop, and backsplash applications. Matte finish tiles are appropriate for most residential and commercial floor applications. With the exception of wet areas, tiles featuring the polished finish are suitable for most residential floor applications. All matte finished field tiles in this line are produced in the USA at our Green Squared® certified Advanced Manufacturing Center located in Lawrenceburg, KY. These contain pre-consumer recycled content and are GREENGUARD® and Porcelain Tile certified.

## Typical Uses

Enchant HDP glazed porcelain floor and wall tile is appropriate for most wall, countertop, and backsplash applications. Matte finish tiles are appropriate for most residential and commercial floor applications. With the exception of wet areas, tiles featuring the polished finish are suitable for most residential floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

Color, texture, and finish variations may occur due to the nature of the product.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.

## Color Variation

### V3 Moderate Variation

While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly. For example "that little bit of color" on one piece of tile may be the primary color on the next piece.
