Pietra Art PREMIER MARBLE

Florida Tile's continuous drive to deliver the extraordinary has brought forth PietraArt Premier Marble.

Like the great masters throughout history, today's interior designers use marble to create stunning masterpieces - spaces that define luxury, quality, and a timeless aesthetic that is at once current, yet made to trend beautifully into the future.

PietraArt Premier Marble from Florida Tile offers a gorgeous and expressive collection of natural stones meant to inspire and empower today's design leaders. Used as the foundation for both residential and commercial destinations, these extraordinary examples of nature's beauty will provide matchless versatility and elegance.

Graceful movement and unique nuances of the veining found in this line are poetic and distinctive. The broad range of color, along with

either polished or honed finishes, provides options that will set any project apart.

Eight elegant stone choices, each with unique flare and personality, are available in varying sizes and formats. The line has seven sizes of field tile, nine mosaics, as well as pencils and chair rails. The range of choice and style make this collection the answer to all of your natural stone needs.

To create an environment that exudes sophistication and refinement, only the artistry of natural stone in PietraArt Premier Marble from Florida Tile will do!

ARGENTO

Argento is the mecca of the PietraArt Premier Marble collection. Entrenched in style, this luxurious stone is simultaneously mysterious and sublime. Argento's tonal variations layered with rivers and caverns of iridescent color give it a depth and a richness beyond compare. Good things come in threes, and this marble line is no exception. Complementing the three field tile formats are a trio of striking mosaics; basketweave, hexagon, and a random stack mosaic in both polished and honed surfaces for a greater versatility of design.

BABETO

Babeto is a stunning example of fluidity and motion. This favorite in the PietraArt Premier Marble collection offers fertile, linear striations blended with sporadic pockets of crystalline greys and accents of bronze cross veining. Babeto is a polished field tile in two formats accompanied by an ultramodern 36pc basketweave and random stack mosaic, plus a pencil liner for an easy and contemporary design solution.

CREMA

Crema is straightforward, yet rich with a touch of complexity. A warm, harmonious cream tone is coupled with light browns, greys, and deep, intermittent veining. Accompanied by random stack, M12 Versailles, and 144pc mosaics, it gently transforms any interior or exterior setting into a serene space.

GIALLO

One of the more unique marbles in the PietraArt Premier Marble collection, Giallo embodies an intricate structure of swirling and striated tones ranging from cream to taupe to grey. With marble veining that is diverse yet harmonious, this graceful stone is beautifully complex and artfully impactful. Four corresponding mosaics in both polished and honed surfaces allow for the most creative choices for dynamic design.

MAKRANA

Makrana is for those with discerning taste where beauty and classical style are concerned. An elegant, white marble with grey undertones, soft veining, and chance glints of silver, this quintessential marble delivers a graceful strength that leaves a lasting impression. The most extensive in the PietraArt Marble collection, Makrana comes in five different formats with four equally alluring mosaics. Its iconic charm and versatility are undeniably suited for contemporary design.
