Tuscany is the Italy of your dreams. Ancient farmhouses built around cobblestone courtyards overlook sun-drenched valleys of lavender and cypress trees. Olive orchards dot the landscape and the view from every summit is sublime. The beauty is simultaneously awe-inspiring and welcoming. Fitting perfectly into this scene is Tuscan Villa<sup>HDP</sup> from Florida Tile.

This traditional travertine inspired look has a modern palette and clean edges. The movement within each graphic and the premium glaze on the surface provides a luxurious distinction. A soft feel stands in strong contradiction to the extreme durability and slip resistance provided by this state-of-the-art glaze. The undulations on the surface create a subtle timeworn texture that transports you to the relaxed atmosphere of Tuscany.

Three fresh color choices enable this porcelain tile to stand out from the crowd. Arezzo Ivory stuns with a warm white base and

swirls of light gray and fawn hues, Cortona Beige is imbued with a palette of beiges and golds over a base of alabaster, and Florence Silver is a dramatic blend of soft gray tones that fuse into a sterling nebula. Each color is available in 6x6, 12x12, and 12x24 field tiles, a 36 piece mosaic, and a 3x12 bullnose.

Manufactured using proprietary HDP—High Definition Porcelain<sup>®</sup> printing technology and with the technical performance of porcelain, the Tuscan Villa<sup>HDP</sup> collection is appropriate for most applications in both residential and commercial settings. It is made in the USA in our Green Squared Certified<sup>®</sup>, Advanced Manufacturing Center in Lawrenceburg, Ky. It contains pre-consumer recycled content and is GREENGUARD<sup>®</sup> and Porcelain Tile certified.
