EXCURSION HDP High Definition Porcelain®

Shown on front: **EXN10 8x36** Zion & **EXN21/M8x8** Denali w/Zion Parquet Mix Mosaic

There is something magical about traveling through the rugged countryside and forests of our national parks. The adventure of seeing mountain vistas and experiencing vast canopies contribute to an unquenchable wanderlust for nature. These journeys are about more than sight-seeing. They are about nourishment and learning, about protecting what sustains us, about building relationships with the outdoors and with each other. This was our quest when developing Excursion^{HDP} from Florida Tile.

This wood-look collection exudes character with an interesting blend of wood species – including reclaimed dead fall wood, knots, splits, and striking ash grain visuals. Creative license was taken to achieve a look that is otherworldly and impossible to create with real woods due to the way stains are absorbed in each individual species. A premium glaze and a light punch create a surface with a smooth matte finish. High durability and beautiful colorations complete the look. Available in an 8x36 plank and five parquet mix mosaics, this line of awe-inspiring wood graphics is well suited for both residential and commercial spaces.

Five distinct colors reflect the beauty and variety found on an excursion through the national parks and bring this collection to life. Zion, the lightest of the five colors, is a bleached taupe with soft gray graining. Denali is a smoky blend of light and dark grays. Rainier features honey browns and deep grays. Sequoia has a sepia background with rich chocolate striations. Badlands is the most dramatic of the colors with a dark roasted coffee tone.

Manufactured using proprietary HDP—High Definition Porcelain® printing technology and with the technical performance of porcelain, the Excursion^{HDP} collection is appropriate for residential and commercial wall, countertop, backsplash, and most floor applications. It is made in the USA in our Green Squared Certified®, Advanced Manufacturing Center in Lawrenceburg, KY and includes pre-consumer recycled content. It meets the DCOF AcuTest® requirements to be installed in wet areas and is GREENGUARD® and Porcelain Tile certified.

EXCURSION^{HDP}

High Definition Porcelain[™]

above: **EXN40 8x36** Sequoia

Porcelain Technical Data Properties (Floor)	ASTM [®]	ANSI [®]	Results ¹
DCOF AcuTest^{®2}	A137.1	≥ 0.42	Pass
Surface Hardness	Mohs Scale	N/A	7 Mohs
Break Strength	C-648	≥ 250 lbf.	≥ 455 lbf. avg.
Water Absorption	C-373	≤ 0.5%	≤ 0.5% ³
Intended Use⁴	N/A	N/A	Residential Light Commercial Heavy Commercial

¹ Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

² ANSI[®] A137.1 standard, ceramic tiles selected for level interior spaces expected to be walked upon when wet must have a minimum wet DCOF AcuTest[®] value of 0.42.

³ Average production value.

⁴ Please visit www.floridatile.com/intended-use for further details.

Typical Uses

Excursion^{HDP} glazed porcelain floor and wall tile is appropriate for residential and commercial wall, countertop, backsplash, and most floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI[®] A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED[®] points and the ANSI[®] approved NAHB[®] Green Building Points.

Field Tile Nominal Size (in) ¹	Metric (cm)	Pcs./Sq Ft ²	Thickness ³	Edge
8x36	20x90	.5	9mm ⁴	Pressed

¹ These values may vary from lot to lot.

² These values are based on actual sizes including the grout joint.

³ May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.

⁴ In order to enhance manufacturing efficiencies this product has been modified to a 9mm thickness. During implementation of this modification, some 10mm products will remain available. Please confirm the thickness of your product at time of order.

Color Variation

V2 Slight Variation

Clearly distinguishable differences in texture and/or pattern with similar colors.

Color, texture, and finish variations may occur due to the nature of the product.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.
