# LOST RIVER HDP

High Definition Porcelain®

shown on front: **LRV20 12x24** Rush & **LRV24/M3x3CHEV** Cool Mix Mosaic

Lost River HDP is an affirmation to the surreal beauty of waterways that flow mysteriously through a subterranean world. These majestic passages lead to a landscape of magnificent formations, beautifully worn by water and time, and create an awe-inspiring canvas of soft colors and delicate veining. Lost River HDP is a serene, yet powerful homage to nature's artistry.

Four distinct and flourishing color options provide a natural springboard for design. Cascade Beige delicately mimics a light, golden sandstone for an on-trend, warm and inviting neutral. Rush Gray is equally tranquil, frothing with a more cool, invigorating tone. Adrift Taupe's combination of effervescent mid-tones offers a unique balance of color blended with striking, granular textures and veining. Torrent Black is perhaps the most dramatic of the collection with its deep pools of rich tone-on-tone dark grays and swirling black.

This color body field tile is available in 12x24 and 24x24 formats. A 3x24 bullnose and classic 25-piece mosaic are offered in all four colors. Adding a creative current to this line are two chevron mosaics in either warm or cool mixes. A sleek ¼ x 24 metallic liner rounds out this line with a modern installation element in Bronze, Coal, Copper, and Silver.

Lost River HDP porcelain tile is entirely made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY and includes pre-consumer recycled content. It meets the DCOF AcuTest® requirements to be installed in wet areas and is GREENGUARD® and Porcelain Tile certified. Manufactured using proprietary HDP—High Definition Porcelain® printing technology and with the technical performance of porcelain, it is appropriate for residential and commercial wall, countertop, backsplash, and most floor applications.

Intended Use⁴	N/A	N/A	Residential Light Commercial Heavy Commercial

¹ Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

² ANSI® A137.1 standard, ceramic tiles selected for level interior spaces expected to be walked upon when wet must have a minimum wet DCOF AcuTest® value of 0.42.

³ Average production value.

⁴ Please visit [www.floridatile.com/intended-use](http://www.floridatile.com/intended-use) for further details.

## Typical Uses

Lost River<sup>HDP</sup> color body porcelain floor and wall tile is appropriate for residential and commercial wall, countertop, backsplash, and most floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

Field Tile Nominal Size (in)¹	Metric (cm)	Pcs./Sq Ft²	Thickness³⁴	Edge
12x24	30x60	.5	9mm	Rectified
24x24	60x60	.25	9mm	Rectified

¹ These values may vary from lot to lot.

² These values are based on actual sizes including the grout joint.

³ May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.

⁴ In order to enhance manufacturing efficiencies the thickness of this product has been modified. During implementation of this modification, products with original thickness may still be available. Please contact customer service to confirm the thickness of your product at time of order.

Trim	Shape	SKU	Nominal Size (in)¹	Metric (cm)

## Color Variation

### V2 Slight Variation

Clearly distinguishable differences in texture and/or pattern with similar colors.

Color reproductions in this printed piece may vary from actual tile colors.

Final selection should be made from actual tile samples.

Color, texture, and finish variations may occur due to the nature of the product.

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.
