Inspired by Diano Reale marble, known for its raw beauty and subtle veining, Bakersfield<sup>HDP</sup> from Florida Tile delivers the look of luxurious marble with the key benefits of porcelain tile.

Three soft colors are offered: Eggshell – a lovely mix of cream and medium greiges, Wicker – a tawny beige with warm highlights of light brown, and Pumice – a light gray with subtle constellations of white and dark grey. All colors are available in 12x12 and 12x24 pressed formats as well as a 25-piece mosaic and 3x12 bullnose.

Bakersfield<sup>HDP</sup> is appropriate for most applications in both residential and commercial settings. It is made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY, includes pre-consumer recycled content, and is GREENGUARD® and Porcelain Tile certified.
