# ESSENCE OF NATURAL MARBLE

shown on front: **35001 24x48** Calacatta

From the exquisite beauty of Calacatta marble emerges Precious, from Florida Tile that captures the essence of the most sought-after natural stone in the world. Inspired by the unique marked graphics in the Italian stone, Precious is a distinct expression of refined taste.

Intense gray veins stand out from the crystalline white background endowing it with a depth and movement that enlivens spaces. The random pattern, the structured surfaces of the decors, and the natural and polished finishes are elements that elevate any atmosphere – classical or modern.

Rectified, porcelain floor tiles in a natural finish are available in 12x24 and 24x48. Rectified, ceramic wall tiles in a polished finish are available in 5x14 (cut), 14x27, and 14x39. Two mosaics:

a 12x12 made of ceramic wall tile showcasing a modern mix of the polished and matte finishes combined in an elongated hexagon pattern, and a 12x12 herringbone pattern in natural finish suitable for wall or floor, provide endless design options.

Precious also features a 14x27 ceramic wall deco with a chic, three-dimensional wave pattern in a polished finish, adding a bold twist to the classic Calacatta stone look. A full package of trims including bullnose for floor and wall, corners, and a chair rail and stop in a polished finish complete the collection.

With the exception of select trim, decorative and ceramic pieces, Precious is made in the USA of pre-consumer recycled content, is GREENGUARD® and Porcelain Tile certified.
