MONOCHROMATIC SOLIDS

shown on front: **SDP20 12x24** Spontaneous Beige & **SDP70/M122** Destiny Black 36pc Mosaic

Serendipity by Florida Tile provides a solid foundation for bold and beautiful design concepts. Minimalist, monochromatic solids can evolve into serendipitous inspiration for daring creations. With a smooth matte finish and captivating balance of shade, tone, and texture, Serendipity infuses the essence of inspired sophistication into any space.

Color body* field tile in a 12X24 rectified format comes in six solid color options: Fortune – a rich vanilla, Spontaneous – a warm beige, Intuition – a deep tobacco, Infinite – a light gray, Fate – a charcoal, and Destiny – an ebony black. Multi-colored, triangle mosaics create an opportunity to display unique color

patterns with both a warm and a cool mix offered. Completing the line are a 36-piece mosaic, 3x24 bullnose, 6x12 covebase, and 1x6 covebase corner in all colors.

Serendipity is appropriate for most applications in both residential and commercial settings. It is made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY. It includes pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified. Incorporated into the tile surface is Microban® antimicrobial technology that works continuously to inhibit bacteria growth, improve visible cleanliness, and reduce odors.

WORLD FITNESS

SERENDIPITY

COLOR BODY PORCELAIN

Porcelain Technical Data Properties (Floor)	Results ¹
ANSI® A326.3 ²	Interior, Wet Plus (IW+)
Surface Hardness	7 Mohs
Break Strength	≥ 450 lbf. avg.
Water Absorption	≤ 0.5% ³
Intended Use ⁴	Residential, Light Commercial & Heavy Commercial

¹ Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

² For more information, visit floridatile.com/productuseclassifications.

³ Average production value.

⁴ Please visit www.floridatile.com/intended-use for further details.

Typical Uses

Serendipity color body porcelain tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

Field Tile Nominal Size (in) ¹	Metric (cm)	Pcs./Sq Ft ²	Thickness ³	Edge

Notes

Color, texture, and finish variations may occur due to the nature of the product.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.

Color Variation

¹ These values may vary from lot to lot.

² These values are based on actual sizes including the grout joint.

³ May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.
